

Lund lets you  
**Go for it**

Goys 80

*P. Kubo*

**Mr. Pike 18 LTD**

**When there's nowhere else you'd rather be . . .**

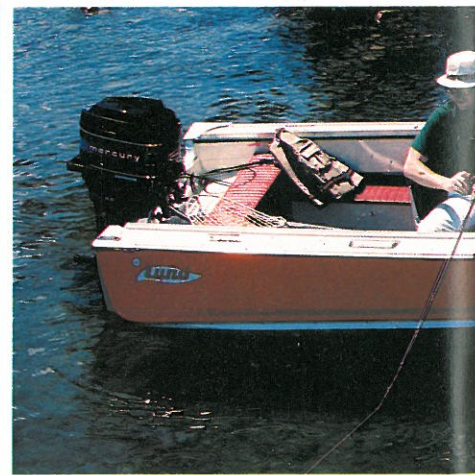

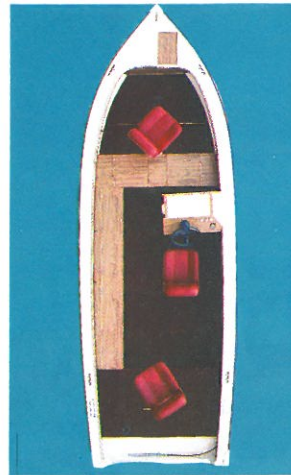

"Ya know, when I was a kid, playin' hooky meant fishin' down behind the old brewery in my hometown . . . 'n I guess ever since, I've been the kinda fella who'd do just about anything to be fishin'. But I worked pretty hard at makin' a livin' too—and I figure I got what I deserved for it—a Mr. Pike 18 LTD! My 'just reward' let's say . . . It's all I ever really need to be happy. (Well, *almost*.)"

**Mr. Pike 18 LTD**

The roomiest Pike, with a 75-inch beam, this top-of-the-line Mr. Pike 18 LTD comes with a raised-aft deck and two live wells as super standard features, plus:

**Standard Equipment:** Level flotation; BIA marine lighting; bow light; stern light; bow eye; stern eyes; quality marine hardware; storage under port-side seat; 20-inch transom; mechanical steering; rod holders; 7-foot rod locker; lockable bow storage; rod/tackle storage each side; raised aft-deck with gas storage; raised foredeck with storage; 2 live wells; interior light-console; step pads; grass carpet; trolling motor bracket; splash well; bilge pump; 1 spring swivel seat; 1 fixed swivel seat; 1 hydraulic swivel seat; 3 seat bases; 4 cleats.

**Options:** Mooring cover; windshield.

**PIKE BOATS**

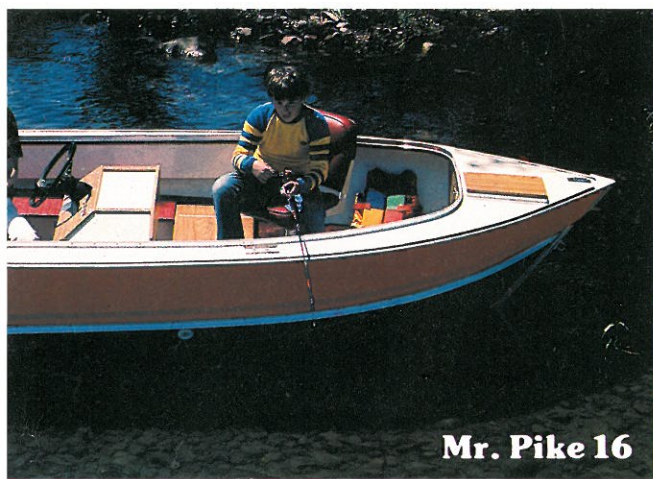

The Pike boats are the answer to a fisherman's dream—they're roomy, strong and durable, and full of extras! And they're the best thing in the world for fishing in the cold, clear lakes of the Midwest. The famous deep-V hull is designed for handling and stability in even the roughest waters.

**Exterior Colors:** Lund Red/Off White  
**Interior Colors:** Off White

**Mr. Pike 18**

**Mr. Pike 16**

### Mr. Pike 16

The Mr. Pike 16 is slightly shorter version of the Mr. Pike 18, minus the raised aft-deck, plus side seating, a base for the optional 3rd pedestal/swivel seat, and 2 aerated live wells, along with:

**Standard Equipment:** Level flotation; BIA marine lighting; bow light; stern light; bow eye; stern eyes; quality marine hardware; storage under port-side seat; 20-inch transom; mechanical steering; rod holders; 7-foot rod locker; lockable bow storage; curtained rear gas storage; raised foredeck with storage; interior light-console; step pads; grass carpet; trolling motor bracket; splash well; bilge pump; 1 moveable swivel seat; 1 hydraulic swivel seat; 3 seat bases; 4 cleats.

**Options:** Mooring cover; windshield.

**“Uh, we got a few nibbles . . .”**

“Not even bad weather’ll stop us from gettin’ fresh fish in the pan this trip! And with a little luck and our Lund Mr. Pike 18 we can handle even the worst weather, the roughest water, or the gustiest winds . . . So we get wet? A Lund let’s you go for it—no matter what!

### Mr. Pike 18

Though minus the raised-aft deck of the Mr. Pike 18 LTD, the Mr. Pike 18 is another roomy 18-footer with lots of additional side storage and an aerated live well.

**Standard Equipment:** Level flotation; BIA marine lighting; bow light; stern light; bow eye; stern eyes; quality marine hardware; storage under port-side seat; 20-inch transom; mechanical steering; rod holders; 7-foot rod locker; lockable bow storage; gas storage under seat; rod/tackle storage each side; interior light-console; step pads; grass carpet; trolling motor bracket; splash well; 1 moveable swivel seat; 1 hydraulic swivel seat; 3 seat bases; 4 cleats.

**Options:** Mooring cover; windshield.

**SEE BACK COVER FOR COMPLETE SPECIFICATIONS.**

## The New Pro-Angler

**“Fishin’s my business—so I want a boat I can live with!”**

“Folks ask me, ‘hasn’t the fun gone out of fishin’ when it’s how you make your living?’ ‘N I say, hell no. And I wouldn’t trade places with any of you! Besides, I got me a Lund Pro-Angler, ‘n ya can’t get a better boat, the way I look at it. Why, fishin’ in this thing is more fun than it ever was!”

## The New Pro-Angler

This 16-foot Pike has a somewhat wider beam and stern, but more noticeably, a few of the extras like carpeting, hydraulic and fixed swivel seats, and a bilge pump.

**Standard Equipment:** Level flotation; BIA marine lighting; bow light; stern light; bow eye; stern handles; quality marine hardware; storage under port-side seat; 20-inch transom; rod holders; 7-foot rod locker; gas storage under cross-seat; grass carpet; splash well; bilge pump; 1 moveable swivel seat; 3 seat bases; 4 cleats; live well; 1 hydraulic swivel seat; forward under-floor storage.

**Option:** Mooring cover.

**SEE BACK COVER FOR COMPLETE SPECIFICATIONS.**

### Pike 15

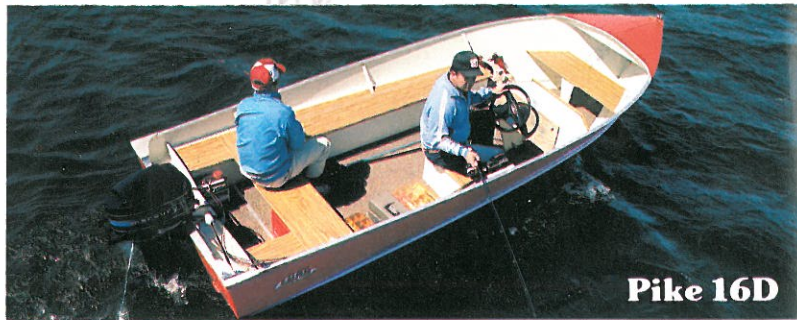

Even the shortest Pike has everything you need, plus some options.

**Standard Equipment:** Level flotation; BIA marine lighting; bow light; stern light; bow eye; stern handles; quality marine hardware; storage under port-side seat; 20-inch transom; mechanical steering; gas storage under console seat; splash well; vinyl-covered floor; bow cross-seat.

**Options:** Mooring cover; windshield.

**Pike 15**

**Pike 16D**

### Pike 16D

The 16-foot Pike is longer and extra deep in the bow.

**Standard Equipment:** Level flotation; BIA marine lighting; bow light; stern light; bow eye; stern handles; quality marine hardware; storage under port-side seat; 20-inch transom; mechanical steering; rod holders; 7-foot rod locker; gas storage under rear cross-seat; storage under console seat; splash well; vinyl-covered floor; bow cross-seat.

**Options:** Mooring cover; windshield.

**Pike 18 Standard**

**“Atta girl, you catch ‘em, ‘n I’ll cook ‘em!”**

**“Dad took me fishin’ in his new boat and we caught lotsa fish! Well, Dad caught most of ‘em, but I caught one. Anyway, Dad says I’ll probably catch more than him next time . . . I might even get to drive the boat!”**

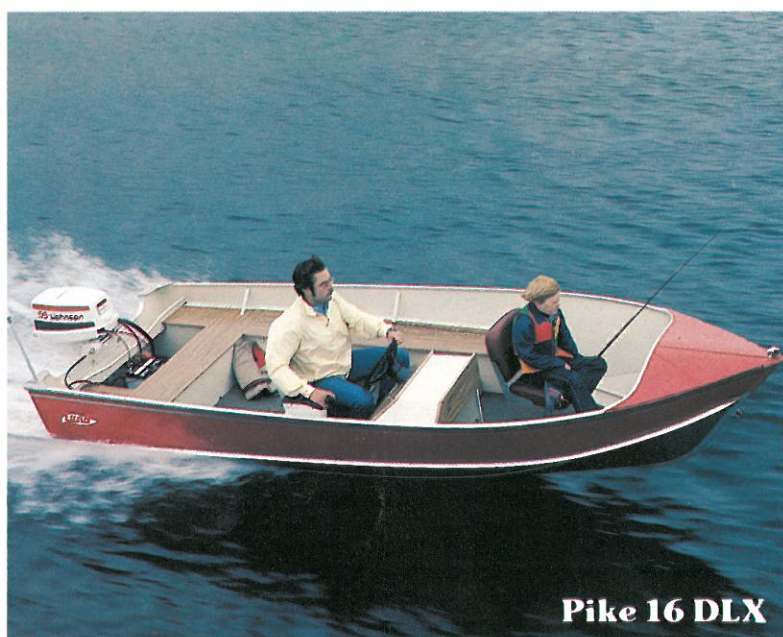

### **Pike 18 Standard**

This 18-footer has all the integrity of a Pike, minus a few of the frills. Seats and hull are integrated for extra strength, the floor is vinyl-covered.

**Standard Equipment:** Level flotation; BIA marine lighting; bow light; stern light; bow eye; stern eyes; quality marine hardware; storage under port-side seat; 20-inch transom; mechanical steering; rod holders; 7-foot rod locker; gas storage under rear cross-seat; storage under console seat; splash well; vinyl-covered floor; bow cross-seat.

**Options:** Mooring cover; windshield.

**SEE BACK COVER FOR COMPLETE SPECIFICATIONS.**

**Pike 16 DLX**

### **Pike 16 DLX**

The same great 16D is available with two swivel seats and a storage shelf in the bow instead of the bow cross-seat.

**Standard Equipment:** Level flotation; BIA marine lighting; bow light; stern light; bow eye; stern handles; quality marine hardware; storage under port-side seat; 20-inch transom; mechanical steering; rod holders; 7-foot rod locker; gas storage under rear cross-seat; storage under console seat; splash well; vinyl-covered floor; bow storage; 2 swivel seats.

**Options:** Mooring cover; windshield.

**Pro-Guide**

**“Oops! This ain’t quite as easy as it looks . . .”**

“Wouldn’t ya know it—first time out in my terrific new boat with all the extras ’n I’m tryin’ to be a real pro . . . Oh well, this boat does everything *but* catch the fish—and I’ll soon get the hang of it.”

“Uh . . . you won’t mention this to anyone, will ya?”

**Pro-Guide**

Yep, this is it! The bass boat with all the extras! Just look at these features:

**Standard Equipment:** Rack and pinion steering; bow light; stern light; level flotation; stern eyes; bow eye; rod holders; interior light-console; grass carpet; splash well; bilge pump; 2 hydraulic seats; 4 seat bases; 4 cleats; BIA marine lighting; quality marine hardware; live well; 20-inch transom; bow & stern rail; grab rails; day storage compartment and aerated bait well.

**Option:** Mooring cover.

**Exterior Colors:** Oyster White/Brilliant Red Metal Flake or Oyster White/Nottingham Green Metal Flake  
**Interior Colors:** Antique Red or Jade Green

**FIBERGLAS BOATS**

These sleek tri-hull fiberglass models are more than beautiful; they’re sturdy, stable and roomy. The flat floor gives you more room and allows you to stand safely.

Our most basic fiberglass tri-hull boats still offer all the essentials of a good boat; without a big price tag. And even the small boats are roomier than you think because of the extra room you get in a tri-hull boat.

**Standard Equipment on all Sportsman and Guide boats:** Level flotation; quality marine hardware; bow eye; 4 cleats; 1 pair oarlocks with inserts; 1 bench seat (aft).

**315 Guide Special**

**315 Guide Special**

**Standard Equipment:** Rack and pinion steering; stern eyes; grass carpet; 2 fixed swivel seats; splash well; BIA marine lighting; rear swivel seat; 20-inch transom.

**Options:** Bow pad and mooring cover.

**314 Guide**

**Standard Equipment:** Splash well; 2 fixed swivel seats; stern handles; 15-inch transom.

**Options:** Rear swivel seat; bow pad; BIA marine lighting; mooring cover.

**Exterior Colors on Guides:** Oyster White with Red accept stripe

**Interior Colors on Guides:** Dove Gray with Antique Red swivel seats.

**Striker**

**"Whatta ya mean, 'do I call this fishin'?"**

"I can catch fish lyin' down. And I can't think of a more comfortable boat to lie down in. But this Striker's more than comfortable, it's loaded with extras too.

"Ya see, some folks fish for the fish -- and some for the fun of it. Well, I'm in for the pure enjoyment. So, when I'm waitin' for the big one to bite, I figure I might just as well lie back, relax, and . . . ZZZZZZZZZZZZZZZZZZZZZZZ!"

**Striker**

**Standard Equipment:** Rack and pinion steering; bow light; stern light; level flotation; stern eyes; bow eye; rod holders; curtained gas storage in rear; 2 live wells; grass carpet; splash well; 2 hydraulic swivel seats; 3 seat bases; 4 cleats; BIA marine lighting; quality marine hardware; 20-inch transom; grab rails.

**Option:** Mooring cover.

**Exterior Colors:** Oyster White with Red accent stripe or Oyster White with Green accent stripe

**Interior Colors:** Antique Red or Jade Green

**314 Sportsman**

**Standard Equipment:** Splash well; stern handles; 15-inch transom; 3 cross-seats.

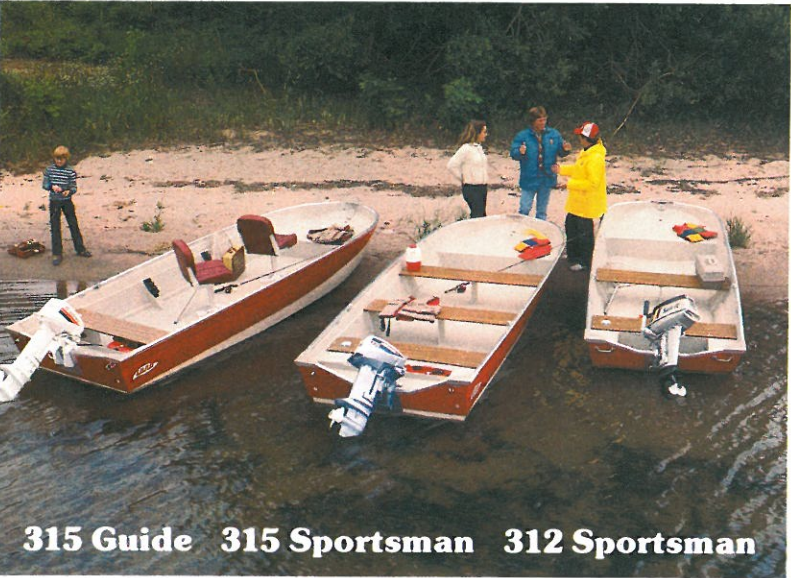

**Options:** Rear swivel seat; BIA marine lighting; mooring cover.

**315 Sportsman**

**Standard Equipment:** Stern eyes; splash well; 3 cross-seats; 15 or 20-inch transom.

**Options:** Rear swivel seat; bow pad; BIA marine lighting; mooring cover.

**SEE BACK COVER FOR COMPLETE SPECIFICATIONS.**

**315 Guide 315 Sportsman 312 Sportsman**

**315 Guide**

**Standard Equipment:** Stern eyes; splash well; 2 fixed swivel seats; 15 or 20-inch transom.

**Options:** Rear swivel seat; bow pad; BIA marine lighting; mooring cover.

**312 Sportsman**

**Standard Equipment:** Stern handles; 15-inch transom; 2 cross seats.

**Options:** Rear swivel seat; bow pad; BIA marine lighting; mooring cover.

**Exterior Colors on Sportsman:** Oyster White with Red accent stripe

**Interior Colors on Sportsman:** Dove Gray

**S-18    S-16**

**“One whiff o’ fish fryin’ over an open fire,  
,n my sunburn’s worth it!”**

A sunny day of fishin’ and supper around the campfire can be the best part of your weekend trip or vacation. Especially when you’ve got a Lund that’s comfortable, versatile, and easy to bring along on your trailer or cartop.

**S-Series (S-18, S-16, S-14)**

The S-Series boats are midway between the Pike series deluxe models and the most basic C-series fishing boats. They offer a few of the extras, but they’re not as heavy as the Pike boats, nor as lightweight as C-boats. They’re available in 18, 16, and 14-foot models.

**Standard Equipment on all S-series boats:** Level flotation; bow eye; gas storage under rear cross-seat; splash well; stern handles (stern eyes on S-18); 1 pair oarlocks with inserts; 15 or 20-inch transom.

**Options on all S-series boats:** Mooring cover; bow deck; console steering.

**SEE BACK COVER FOR COMPLETE SPECIFICATIONS.**

**S-14 DLX**

**S-14**

**Time for takin' time . . . At last!**

Vacations are a long time in between—but, boy, when they finally do roll around, we head for the lake country! And there's no better way to go—and take the family, too—than in this brand new Lund S-14 DLX.

**S-14 DLX**

**Standard Equipment:** Level flotation; bow eye; gas storage under rear cross-seat; splash well; stern handles; 1 pair oarlocks with inserts; 15 or 20-inch transom; split center seat; vinyl-covered flat floor.

**Options:** Mooring cover; bow deck; console steering.

**Exterior Colors:** Lund Red  
**Interior Colors:** Mist Green

**SEE BACK COVER FOR COMPLETE SPECIFICATIONS.**

**C-15**

**“Aw, Dad . . . do I hafta clean ’em?”**

“Well, part of fishin’ is cleanin’ the fish. Right? And in our family, part of fishin’ is a Lund boat too. There’s a C boat that’s just right for you too; at a price you can afford.”

**C-Series**

The 12, 14, and 15-foot fishing boats are practical, versatile, affordable and durable—just ask a resort owner who puts every kind of people in ’em, season after season.

**Standard Equipment on all C-boats:** Level flotation; bow eye; gas storage under rear cross-seat; stern handles; 1 pair oarlocks with inserts; 15-inch transom.

**Exterior Color:** Lund Red

**Interior Color:** Mist Green

**SEE BACK COVER FOR COMPLETE SPECIFICATIONS.**

**C-12**

**C-14**

**LUND PUTS IT TO THE TEST!**

Lund constantly tests and improves their products—so you can be confident that the fishing boat or canoe that you buy will meet the normal—or even rigorous—demands of practical use.

Our fishing boats are tested on lakes and rivers in the U.S. by a group of nationally-known guides. These highly-skilled professional fishing guides test the boats for everything from strength and handling to comfort and durability, and regularly make reports and recommendations to Lund.

This combination of solid engineering and testing means that when you buy a Lund Guide Tested and Wilderness Proved boat or canoe, you’re getting the best you can buy!

Standard 17

Standard 15

Snipe

### For the frontiersman in you . . .

There's still a bit o' the ol' frontiersman in me—or maybe it's the French-Canadian voyageurs on my grandmother's side . . . At any rate, a good canoe is just about as important to me as water is to most fish. And Lund has three fine models to choose from. There's a standard canoe in both 15 and 17 foot lengths, a lightweight 17, a flat-back 16-footer, plus a "modified" snipe, for the duck hunter.

Standard on all canoes: 2 cross-seats.

### Snipe

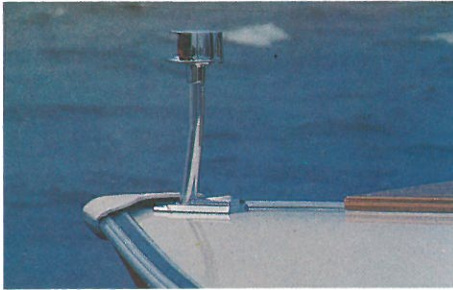

Exterior Color: Red or Olive Drab  
Interior Color: Mist Green or Olive Drab

**Standard features:** 3 cross-seats with center removable seat; 2 aft side seats; bow eye; stern handles; short forward deck; storage shelf beneath deck; 1 pair oarlocks with inserts; level flotation.

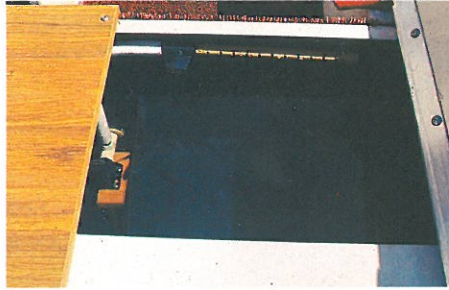

**SEE BACK COVER FOR COMPLETE SPECIFICATIONS.**

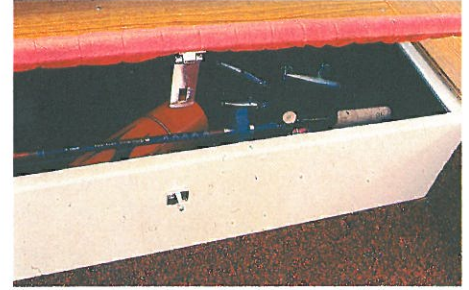

# FEATURES

Lights—bow and stern lights; BIA certified,

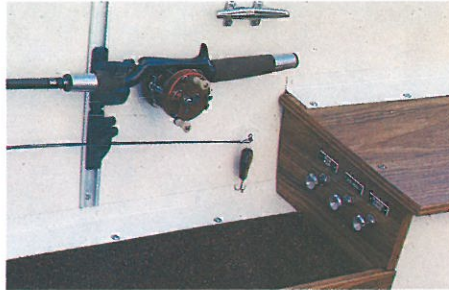

Live wells—super built-in aerated live wells.

Side storage—storage under port-side seat.

Console steering—side-mount mechanical steering for easy handling.
